

TEA Mentor Training

Mentors are required to attend mentor training every other year. Mentors who have been trained in the past three years should attend Advanced Mentor Training. Mentors who were trained last year as TEA mentors are not required to attend any more training this year to participate in the TEA grant. New mentors who wish to participate in the TEA grant must attend both the New Mentor Training and the Advanced Mentor Training. Advanced Mentor Training is for both regular mentors and TEA mentors.

Trainings will be held on the following dates with capacity for 60 mentors. Mentors must register on Oracle. Trainings are from 8:00 a.m. - 3:30 p.m. in room 738 of 2909 N. Buckner Blvd. Lunch is on your own.
