Overview

Eladio R. Martinez Learning Center is located in West Dallas. The student population is predominantly Hispanic. Approximately half of the students begin school in bilingual classes. A significant strength for the campus is the stability of the staff.

Tutoring after school in math and reading is provided. The school also offers daily enrichment programs, including fine arts and after-school activities such as coed flag football, basketball, and soccer. The PTA and Site-Based Decision Making committee meet the second Tuesday of every month.

We believe student achievement, teacher effectiveness, and parent support will result in high student success. Our campus mission is to develop lifelong learners who believe in our motto: Success has no limits.
