Q: Am I eligible to receive the Bilingual stipend?
A: To be eligible for the Bilingual stipend, you must meet the following criteria:

1. Currently serve in an eligible job code (you can verify your job code in your Job Title on your Statement of Earnings).

2. Currently a Full-Time employee

3. Have a valid Texas teaching certification approved by the Texas Education Agency (TEA) or respective professional license and pass the Bilingual Target Language Proficiency Test (BTLPT) offered by TEA.

Q: I am currently serving in an eligible job code but, do not have a certification. How do I become certified?
A: To become certified, please visit tea.texas.gov regarding test registration and certification information.

Q: How do I know if I am certified?
A: Log-in to your TEA account and confirm the BTLPT certification is valid under your certifications tab.

Q: Now that I meet all of the above criteria, when will the Bilingual stipend show up on my paycheck?
A: The Bilingual stipend is a 10-month stipend that begins payout in November and ends in August.

Q: If I became eligible to receive the Bilingual stipend after the start date of my position, what does that mean for my stipend?
A: If you became eligible to receive the Bilingual stipend after the respective start date of your position, your eligibility would be considered late and the stipend will be prorated as follows: Stipend amount divided by total number of workdays for your position is your daily stipend rate. Multiply the daily stipend rate by the remaining number of workdays for your position to get the prorated stipend amount. Divide the prorated stipend amount by the remaining number of monthly pay periods to get the gross monthly stipend amount expected per pay period.
Example: A bilingual teacher serving 187 workdays hired on September 9, 2016, who is eligible for $3,000 Bilingual stipend.

$3,000 divided by 187 days = $16.04/day. Multiply by 166 remaining workdays (09.09.2016 to 06.02.2017) = $2,663.10 for the 2016-2017 school year. Divide $2,663.10 by 10 remaining number of monthly pay periods for the stipend = $266.31 per month.

Q: How does the stipend show up on my pay check?
A: In the earnings portion, there will be an additional line item description with a value shown as “BL STIP 10 MO.”

Q: Is the bilingual stipend considered a part of my salary?
A: No. Stipends and other supplemental earnings are not considered a part of your salary as they are not guaranteed wages. Supplemental earnings will not be included in base salaries quoted by the Compensation Department. Supplemental earnings ARE a part of your total compensation during the time period you are eligible to receive them.

Q: Is the Bilingual stipend and the Bilingual incentive the same earning?
A: No. The Bilingual incentive is a signing incentive for newly hired eligible employees who support the District’s critical shortage objectives for Elementary Bilingual teachers. The Bilingual stipend is for all eligible full-time, employees who are providing bilingual service for the District.

Q: If I receive a promotion, do I continue to receive payment for the Bilingual stipend?
A: It depends. If you are promoted into a position that is eligible for the Bilingual stipend, then you may continue to receive payment for the stipend at the respective eligibility amount of the new position. If you are promoted into a position that is not eligible for the Bilingual stipend, then the stipend payout will end.

Q: Do I have to pay back the stipend amount I received once I become ineligible?
A: You will be paid the Bilingual stipend for as long as you are eligible. Any additional amount that was paid to an employee outside of the Bilingual stipend eligibility will be recovered.

Q: I heard that Human Capital Management offers a test in lieu of the TEA BTLPT certification. Is this true?
A: The Human Capital Management Department no longer offers a proficiency exam as in previous years. The department will only observe bilingual certifications approved by the Texas Education Agency.

Q: I just received a salary quote from Human Capital Management. Does the salary also include the Bilingual stipend?
A: No. Supplemental earnings will not be included in base salaries quoted by the Compensation Department.
Q: If I move campuses, do I continue to receive payment for the Bilingual stipend?
A: It depends. If you move campuses, but remain in a position that is eligible for the Bilingual stipend, then you may continue to receive payment for the stipend at the respective eligibility amount of the new position. If you are moved into a position that is not eligible for the Bilingual stipend, then the stipend payout will end.

Q: Do I receive more than the $3,000 Bilingual stipend if I work more than 187 days?
