

STEM-Computer Science & Technology

Robotics Coach Stipend Agreement

TEACHERS WILL BE CONSIDERED ELIGIBLE FOR THE ROBOTICS STIPEND IF THE FOLLOWING CRITERIA ARE MET:

1. Recruit a minimum of four students and build a team within the first three weeks of the school year.
2. Coach students following the guidelines and rules of the robotics competitions.
3. Submit all necessary paperwork by the requested due date.
4. Participate in scrimmages, league qualifiers, regional, and championship meets as applicable.
5. Attend coach meetings as scheduled.
6. Attend scheduled trainings.
7. Complete all fieldtrip paperwork required by campus and district.
8. Verify all students are academically eligible to compete in the competition – meaning they must be passing all classes.

ANNUAL STIPEND (\$250 - \$4,250)

One stipend may be split among multiple coaches

\$250 stipend for participation in a Dallas ISD scrimmage; payable in May
Up to \$1,000 stipend for participation in a FLL Explore Expo (\$500/Expo); payable in May
\$1,500 stipend for participating in at least one Qualifying Competition; payable in May
\$1,500 stipend for participating in the State/Regional Tournament; payable in May
\$1,000 stipend for participating in the Championship Tournament; payable in June
