Deleting and Registering for PD in Schoolnet

Registering for a PD Course

Step 1: Log into Schoolnet using your DISD username and EAD password at https://disd.schoolnet.com
This is your home screen once you log into Schoolnet.

Step 2: Select Goals, Performance, PD and PD Search from the blue menu bar.
You will get the screen below which allows you to search by Content Name, Grade, and Keyword or ID.
Step 3: Search for a course by entering the Content Name, Grade, and/or Keyword or ID number. Select Search.

Step 4: Choose from the search results. Some courses have multiple sessions. Select the intended course and register by selecting **Register**. You will receive a registration confirmation message.

Deleting a PD Course

Step 1: Click the home button, on the blue menu bar.

Step 2: Look at the My PD Planner section on the homepage. Select the course you would like to cancel and select **Cancel My Registration**.
