VACANT
Assistant Director of Logistics

VACANT
Director of Operations
WHAT DO I DO?

- Go to the Food & Child Nutrition Services website
  https://www.dallasisd.org/Domain/103

- On the left side of the web page, select “Principal Corner” or use the link below:
  https://fdsmsvfm01.ead.dallasisd.org/fmi/webd/CACFP?homeurl=
  https://fcns.dallasisd.org/programs

  **Note:** The FCNS Saturday School /ASM Applications can only be accessed from the Dallas ISD intranet server.

- Login with the Food Service Programs PIN number. If you forgot or do not have a pin number, contact
  **Valerie Cheatham** at vacheatham@dallasisd.org - or -
  **Andrea Ramirez** at ANDRRAMIREZ@dallasisd.org.

- Once logged in, select new application for desired program and provide requested information.
  For assistance completing a program application, please contact
  **Andrea Ramirez** at ANDRRAMIREZ@dallasisd.org, 214-932-5598 - or -
  **Valerie Cheatham** at vacheatham@dallasisd.org 214-932-5544

- Once the completed application is received, a confirmation email will be sent to all parties involved in the preparation of the meals. It may take up to two weeks after the application is submitted to begin meal service. If you need meal service sooner, please contact
  **Andrea Ramirez** at ANDRRAMIREZ@dallasisd.org, 214-932-5598 - or -
  **Valerie Cheatham** at vacheatham@dallasisd.org 214-932-5544

HOW TO ENTER A SERVICENOW MAINTENANCE REQUEST FOR CUSTODIAL LEADS, OFFICE MANAGERS, AND PRINCIPALS

1. To access the DISD Support Hub Login page, the requester will click on the Support Hub icon.
   - Requester will use his/her DISD credentials to log in.
   - Once logged in, it will redirect the requester to the Support Hub Home Page.

2. At the top right-hand side, requester should look for "Maintenance Catalog". Click on link.
   - This will take the requester to the Field Service Catalog page for Maintenance.
   - Click on "Maintenance Request-Order...". This will open a new request page.

3. There are three parts - "Describe Needs", "Choose Options", and "Summary". The banner across the top of page lets the requester know which section of the request he/she is in.
   - On the Maintenance Request Order Guide page, the requester will begin to enter information for their request.
   - Anything with a red asterisk is a mandatory field.

4. The requester will select the type of work needed for their campus.
   - The requester will enter the "Location Details". Please be specific. Example: Room 102 or Hall A, Room 110.
   - To move the next section, the requester will click the "Next" button at the bottom.

5. The next section of the request is "Choose Options". Under "Included Items", the requester will click on the drop-down arrow to expand the page.
   - Once the page has expanded, the requester will click on the drop-down arrow under "Type of Work". The requester will choose an option option from the list.
   - If the requester does not find exactly what is needed, he/she should choose an option that closely matches their issue.

6. The requester will enter a "Short Description" and a "Detailed Description". The request should include as much detail as possible in the detailed description. This will help the technician assess the issue before coming to the site.
   - The requester should click "Yes" or "No" for "Emergency" then next to move to the next section.
   - An emergency is defined as an incident that threatens life safety or property loss.

7. The final section of the request is "Summary". The requester can make edits to their request by clicking on "Edit Options".
   - If there are no edits, the requester can click "Request" to finalize the request.
   - When the requester clicks on the "Request" button, a window will pop up.
   - Requester can confirm their name or change the name to the office manager or principal to receive a notification.

8. Requester can add special instructions by clicking on the plus sign.
   - Requester can add attachments.
   - Once completed, requester will click on "Request" to submit work order.
The Custodial Services department provides a safe, clean, distraction-free learning environment for students, staff and community members.
