Parent Orientation Only Meetings

2015-2016

Welcome New and Returning Rosemont Parents,

We are so excited to have your child with us! Each grade level would like to share with you what your child will learn this year and how we can work together to ensure your child's success.

We invite you to attend a quick hour orientation where you can meet the administrators, learn more about your child's teacher, grade level expectations, and ask questions. We respectfully request you make accommodations to attend without your child.

Thank you for making this event a priority in your busy week!
