

FEEDBACK

As you may know, the Texas Education Agency (TEA) has identified your school as a “turnaround campus.” Based on student achievement levels below what our district considers acceptable, TEA has rated this campus “Improvement Required” or IR, for two or more school years in a row.

Thanks to feedback from parents, staff and community members, our campus has created a turnaround plan to help improve student achievement. We are now asking you to review the plan and provide suggestions and feedback before final submission to TEA.

Our campus turnaround plan can be found on our campus website or at www.dallasisd.org/campusturnaroundplan. We invite you to participate in this process by providing your feedback.

Please check the word that best describes your relationship to the campus.
