What’s Different This Year?
Registration for Transportation

- All students riding the bus must register for transportation services.
- Registration for bus transportation occurs during the enrollment process. Any changes to transportation needs occur at the student’s school with the campus data controller.
Bus Cleaning Procedures

- Daily – Between Trips (contact surfaces)
- Weekly – Deeper Cleaning – (more surfaces)
- Every 90 Days – Professional Deep Cleaning
Personal Protective Equipment (PPE)

- All students and drivers must wear a face mask while on the bus unless otherwise specified by an ARD or 504.
- All drivers will have face shields for loading / unloading if they chose to wear extra protection.
- All drivers will have gloves available.
Alternative or Additional Personal Protective Equipment (PPE)

- Buses who transport some of our special needs students will be equipped with additional PPE including alternative face coverings such as shields for students.
- Drivers on these buses may also receive gowns which can be worn over their clothes.
Pre-Screening

• All drivers will be pre-screened prior to boarding their bus.
• All students should be pre-screened at home prior to arrival at the bus stop.
• Students will be screened prior to boarding the bus.
• Students with a temperature of 100.4 or higher will be provided with alternative transportation.
Social Distancing (when possible)

- Seats will be marked with a red X to show the seat is not available.
- Seating charts will be developed for each route.
- One person per seat is recommended on most routes.
- There may be times when two students per seat will be necessary.
Student Behavior on the BUS

• Students are expected to follow the District Code of Conduct while on the Bus; this includes the use of face masks.
