Dallas ISD’s Social and Emotional Learning (SEL) Department would like to invite your campus to participate in our first SEL Student Leadership Summit on Friday, December 20th from 9AM to 2PM at the Dallas Arboretum and Botanical Garden.

**Campus Teams**
- 5 students and one adult will create a school team.
- Students should be diverse in their representation of the school.
- Students may or may not be active participants in campus activities.
- The adult representative must be knowledgeable about SEL and have strong relationships with students.
- Expectation is for the campus team to participate in two events: December 20th and an upcoming spring semester event (date to be determined)

**Logistics**
- The SEL Department will send campuses permission slips to be completed before the event.
- Bus transportation will be provided to and from the Arboretum.
- Breakfast and lunch will be provided for Summit participants.
- The adult campus representative will receive 5 hours of PD credit for their participation (must be registered in Cornerstone).

Each student will leave with an understanding of their self and how to use their voice to positively impact school culture and climate through Social and Emotional Learning.

**AGENDA**
