

## Accessing Student State Assessment Information from PowerSchool Using Single Sign-On

Printed state assessment student report cards and student labels are scheduled to arrive in districts by **September 1**.

An electronic file of the PDFs is posted on MyData Portal.

In spring, Dallas ISD added the single sign-on feature to PowerSchool. This feature will provide parents access to their students' results for the Texas Assessment Program directly, bypassing the state Texas Family Portal login screen.

Instructions on accessing the scores from the PowerSchool Family Portal are listed below:

1. Login to the PowerSchool Parent Portal to view scores.
2. Parents can click on the Texas State Portal link to access the scores for their students. Parents will be able to access their students' results for the Texas Assessment Program directly, bypassing the state Texas Family Portal login screen.

The image shows a screenshot of the PowerSchool Parent Portal. On the left is a vertical navigation menu with a light blue background. The menu items are: My Schedule, My School Bucks, Transportation, Free Home Internet, SchoolMint, School Information, Graduation Progress, Account Preferences, Texas State Assessment Portal(English), and Texas State Assessment Portal(Spanish). The last two items are circled in blue. To the right is a table with a grid of data. The table has 10 columns and 5 rows. The first column contains course identifiers: 2(A), 3(A), 4(A), and 5(A). The second through seventh columns contain dots. The eighth column contains a small icon of a person. The ninth and tenth columns contain student names and IDs: JOHN TX ST Honor, MAYF BRAD, PHYS EDUC THOM Gym, MS TH GRAV KARE 114, and SPAN VILLE ASHL 306.
