George H.W. Bush Elementary
Uniform Donation Recycle & Re-Use

It is safe to say kids grow fast (sometimes too fast), leaving behind a closet full of school clothes which are just too small to wear. Does this sound familiar to you? Has your child (or children) outgrown their uniform during this school year? If so, have you wondered what to do with those school uniforms? Well, why not recycle and donate those clothes to the George H.W. Bush Elementary Clothes Closet?

Your donated clothes would go to a very good cause – our kids! Kids do spill and occasionally get messy, may fall at recess and tear their clothes, have bathroom blunders and other related issues which may result in the need for a new set of clothing during the school day.

The GHWB Clothes Closet not only helps our kids when they are in need, but it also helps preserve our environment by keeping these useful items out of landfills. Furthermore, this kind act teaches our children about gratitude and donating responsibly.

Please place your clean, gently-used and untorn school uniforms in the Uniform Recycle Donation Box starting on Monday, August 27, 2012 and continuing through Friday, September 28, 2012.

We thank you in advance for your generosity and assistance!
