Greetings Parents and Guardians!

Happy New Year! I hope everyone had a chance to get some rest and enjoy family and friends over the holiday. 2020 is off to a great start. It was such a pleasure welcoming our wonderful students back to school on January 7. We received the first round of End Of Course scores for English I, English II, and Biology. All three subjects showed double digit improvement in the top level of achievement and 100% of students passed each of these subjects! Students started their Spring Semester of college on January 21. This is particularly exciting for our seniors since it is their last semester at Lassiter ECHS. I will keep you updated on their progress in the coming months. Student recruitment is in full swing and we are interviewing many wonderful students that we hope to welcome to our school family in August. February will be a busy month so please take a look at the upcoming events on the right side of this newsletter. As always, if we can assist you in anything, please do not hesitate to contact our campus.

Thank you!
