

## From Principal Bates: Social Media Posting

The safety of our students at W.T. White High School is our top priority. When issues of concern occur, we feel it is important to share them with you.

May 22, we were made aware of a concerning social media post circulating. Campus administration, along with Dallas ISD Police, have identified the individuals involved, and determined there was no credible threat. Though, the original post was not from a student at W.T. White, a number of students began circulating the message. Please know, all students involved will be disciplined according to Student Code of Conduct.

As a precaution, security was increased on campus. We will continue to closely monitor the situation.

Thank you for your continued support of W.T. White.
