IMPORTANT INFO: STUDENT GROOMING & APPEARANCE

Parents, we are seeing a trend where the number of students reporting with brightly colored hair has increased significantly and it has now become a distraction in class and across the campus. As a result of this trend, and effective immediately, student hair color should be natural and their hairstyles should not be a distraction to the learning process. It is possible that you may be asked to change your child’s hairstyle/hair color. While students are allowed to wear their hair in a manner, which expresses their individuality, if the style becomes a distraction to the instructional environment, student will be required to restyle their hair. Failure to comply will be considered disrespect of school personnel, a Level I Offense, according to the Student Code of Conduct. Thank you for your support and understanding. If you have any questions, please feel free to call the school at 214-932-3800.
