Families,

If you are in need of technology for the 2020-2021 school year please fill out this form. Then pick it up at the Competition Gym at Woodrow Wilson on September 2nd, between 4:00PM and 8:00PM. You will be able to pick up a chromebook and charger on site and sign-up for a hot spot if necessary.

If you did not choose to take one in the spring or have a broken chromebook, you may pick one up as well. If the chromebook is broken you may pay for your own repairs or pay the replacement fee of $243.25 (cash or check).

You must be enrolled for the 2020-2021 school year to receive a chromebook. If you have not already done so, there will be staff available on the 2nd to help you complete this process before receiving a chromebook. Please see the school website to see what documentation is required for enrollment.

Safety Precautions

- All temperatures will be checked.
- All participants must wear a mask. Please stay 6 feet apart from other families by staying on the set path.
- If you are experiencing any symptoms you must stay away. Send an email to Mr. Meaker at pmeaker@dallasisd.org and we can coordinate how we can work with you.
- Once you have completed the stations, please leave the campus for others to be able to arrive and minimize people on campus.
