

2023 TRS Preventive Medications - Standard Plus Generics Only

This list provides examples of commonly prescribed preventive medications. It is not an all-inclusive list; but many examples of medications in each category are listed.

This list does not indicate coverage. Please check with your plan administrator and/or benefit information materials if you have questions on coverage. Your cost share will be determined by your plan's drug coverage and formulary plan.

Coverage prior to the deductible being met may not be provided for every strength or dosage form of a listed medication.
