### ▪ High School Updates: Student Needs/Concerns/Celebrations –

- Continue to have students monitor grades in Brightspace and keep accurate screenshots.

- Parents will not be allowed to sit in with students in the Dallas College courses. Against FERPA guidelines, and the courses need to align as a college course on the high school campus.
- Question: ENGL2332 very minimal on details what is required for assignments or topics for papers; no feedback has been given as far as grades. She is not responding to emails; she only tells them to refer to syllabus. That one paper will make or break them, but no information is being given.
- Update: Paul Day has been entering grades; good feedback
- Getting better with communication with the professors but they have been out sick.
- Working on progress monitoring and getting students back on track
- Few scholars that have come in with college acceptance letters already. 😊

▪ **Educational Partnerships Updates** –

- No updates.
- LaKayla on vacation 10/12 – 10/16; however, will check email once daily.

▪ **Success Coach Updates** –

- Clarification that DISD PD days students are out of school; The DC students will still come to EFC for their classes.
- Registration opens 10/17 for blended students, academic standing runs at the end of the semester. She will be going through students with a fine-tooth comb of students that have a 2.5 or lower GPA that could potentially go on probation or dismissal.
